NOW COMES the United States of America, by and through Jill Westmoreland Rose, United States Attorney for the Western District of North Carolina, and hereby files this Factual Basis in support of the plea agreement filed simultaneously in this matter.

This Factual Basis does not attempt to set forth all of the facts known to the United States at this time. This Factual Basis is not a statement of the defendant, and, at this time, the defendant may not have provided information to the United States about the offenses to which the defendant is pleading guilty, or the defendant's relevant conduct, if any.

By their signatures below, the parties expressly agree that there is a factual basis for the guilty plea(s) that the defendant will tender pursuant to the plea agreement. The parties also agree that this Factual Basis may, but need not, be used by the United States Probation Office and the Court in determining the applicable advisory guideline range under the *United States Sentencing Guidelines* or the appropriate sentence under 18 U.S.C. § 3553(a). The defendant agrees not to object to any fact set forth below being used by the Court or the United States Probation Office to determine the applicable advisory guideline range or the appropriate sentence under 18 U.S.C. § 3553(a) unless the defendant's right to object to such particular fact is explicitly reserved below. The parties' agreement does not preclude either party from hereafter presenting the Court with additional facts which do not contradict facts to which the parties have agreed not to object and which are relevant to the Court's guideline computations, to 18 U.S.C. § 3553 factors, or to the Court's overall sentencing decision.
